Subject Index

A

AAFP issues white paper on patient education (*med rep*), February 15, p. 673
abuse, child, on the lookout for (*let*), January, p. 47
ACE inhibitors, plethora of? (*let*), May 1, p. 1356
Achilles tendon, rupture of the, treatment of (*tip*), May 1, p. 1513
actinic keratosis and squamous cell carcinoma (*sci*), March, p. 817
adolescent homosexuality, the family physician and (*let*), April, p. 1065
adolescents with asthma, attitudes toward smoking in (*tip*), March, p. 943
adolescents' lives, keeping parents involved in their, family physician's role in (*med soc*), February 1, p. 327
adults: management of cancer pain (*sci*), June, p. 1853
agoraphobia, development of (*FPI*), April, p. 1250
AIDS (*See also HIV infection*)
—patients with, recognizing skin lesions of systemic fungal infections in (*sci*), May 15, p. 1627
air pollution
—the fight against, physicians and (*ed*), May 1, p. 1329
—outdoor, health effects of (*sci*), May 1, p. 1397
alcohol detoxification in trauma patients (*tip*), June, p. 1932
allergens, house mite, ways to reduce (*FPI*), April, p. 1250
alpha blockers, new use for: benign prostatic hyperplasia (*sci*), June, p. 1885
Alzheimer's disease
—antemortem marker for (*tip*), March, p. 922
—end-stage, assessing patients with (*tip*), June, p. 1955
aminophylline use in treatment of acute asthma, benefit of (*tip*), January, p. 229
amiodarone prophylaxis after myocardial infarction (*tip*), April, p. 1214
amoxicillin, once-daily, treatment of otitis media with (*tip*), February 1, p. 474
anaerobic lung infections (*sci*), June, p. 1815
analgesia
—epidural, use of, instrumental delivery rate and (*tip*), April, p. 1228
—for treatment of pain in preterm infants (*tip*), February 15, p. 655
analgesic rebound headache (*tip*), May 1, p. 1520
anemia, idiopathic iron deficiency, evaluating (*tip*), June, p. 1927
angina
—rest, evaluation of, value of electrocardiography in (*tip*), April, p. 1231
—unstable, diagnosing and managing (*sci*), May 1, p. 1459
ankle sprains, prevention of: braces or tape (*tip*), June, p. 1909
ankle-to-arm blood pressure index, use of (*tip*), January, p. 238
antibiotic therapy and fatigue (*tip*), March, p. 908
anti-inflammatory drugs, nonsteroidal, selected newer, a review of (*sci*), April, p. 1197
anxiety
— mixed, and depression, management of (*sci*), March, p. 860
—nondrug treatment of (*sci*), January, p. 161
APACHE II score, effect of steroids on (*tip*), May 15, p. 1648
apnea, sleep
—(*sci*), February 1, p. 385
—obstructive, alternative to intubation in (*tip*), April, p. 1224
appendicitis
—diagnosis of, use of CT and ultrasonography in (*tip*), May 1, p. 1489
—diagnosis of, usefulness of adjunctive tests for (*tip*), April, p. 1218
arrhythmias, ventricular
—advice from a family physician (*ed*), June, p. 1710
—chronic, management of (*sci*), June, p. 1805
arthritis
—juvenile, management of (*FPI*), June, p. 1963
—rheumatoid, juvenile, of the knee and sonography (*tip*), June, p. 1903
aspirin, topical, chloroform and: herpes zoster pain (*tip*), May 1, p. 1506
asthma
—acute, benefit of aminophylline use in treatment of (*tip*), January, p. 229
—adolescents with, attitudes toward smoking in (*tip*), March, p. 943
—in adulthood, childhood predictors of (*tip*), May 15, p. 1659
—beclomethasone vs. theophylline for (*tip*), January, p. 213
—pediatric, theophylline in, the changing role of (*sci*), March, p. 839
—relapse, intramuscular steroid therapy in prevention of (*tip*), June, p. 1955
—treatment, beta$_2$ agonists in, adverse effects of (*tip*), January, p. 238
athletes, free radicals in, dietary supplements and (*let*), March, p. 759
attention-deficit hyperactivity disorder, cause of (*tip*), February 1, p. 460

B

babies, strangulation in, drapery cord injury and (*let*), February 1, p. 335
back pain, low, patients with, diagnosis, treatment and prognosis in (*sci*), January, p. 171
bats and cats: rabies vectors (*tip*), February 15, p. 661
beclomethasone vs. theophylline for asthma (*tip*), January, p. 213

Index to Volume 49

benign prostatic hyperplasia
—diagnosis and treatment (*sci*), April, p. 1157
—finasteride in the treatment of (*tip*), May 1, p. 1501
—new use for alpha blockers (*sci*), June, p. 1885
benign prostatic hyperplasia guideline, novel idea in: the patient as decision maker (*ed*), April, p. 1043
beta$_2$ agonists in asthma treatment, adverse effects of (*tip*), January, p. 238
bicarbonate secretion, cigarette smoking and (*tip*), April, p. 1235
biopsy, sural nerve, use of (*tip*), February 15, p. 665
birth defects, incidence of, use of metronidazole and (*tip*), January, p. 205
birth weight, low, and length of hospital stay in infants (*tip*), February 1, p. 473
birthing, family-centered (*let*), February 1, p. 335
blood pressure index, ankle-to-arm, use of (*tip*), January, p. 238
bone mass, postmenopausal, percutaneous estradiol and (*tip*), May 1, p. 1489
bone mineral density and cigarette smoking (*tip*), February 1, p. 489
'bowel syndrome, gay,' the term, use of (*let*), February 15, p. 580
brain tumors, primary: review of etiology, diagnosis and treatment (*sci*), March, p. 787
breast cancer in women under age 50, diagnosis of (*tip*), April, p. 1242
breast cancer diagnosis after augmentation mammoplasty (*tip*), March, p. 921
breast complaint, evaluation of: is it cancer? (*sci*), February 1, p. 445
breast nodules, methods of diagnosing, cost-effectiveness of (*tip*), January, p. 205
bronchiolitis (*sci*), May 1, p. 1449
bruxism, treatment approaches to (*sci*), May 15, p. 1617
butorphanol, transnasal (*sci*), January, p. 188

C

calorie restriction, moderate and severe, in obesity (*tip*), February 15, p. 658
cancer(s) (*See also carcinoma*)
—breast, diagnosis after augmentation mammoplasty (*tip*), March, p. 921
—breast, in women under age 50, diagnosis of (*tip*), April, p. 1242
—in children, electromagnetic fields and (*tip*), March, p. 928
—colorectal, characteristics of, at presentation (*tip*), March, p. 913
—endometrial, risk of, use of oral contraceptives and (*tip*), May 1, p. 1495
—epithelial, of the ovary, diagnosis and management of (*sci*), February 15, p. 613
—gastric, early differentiated, *H. pylori* infection and (*tip*), April, p. 1246
—is it: evaluation of a breast complaint (*sci*), February 1, p. 445
—patients with, denial among (*FPI*), March, p. 958
carcinoma (*See also cancer*)
—squamous cell, actinic keratosis and (*sci*), March, p. 817
cancer pain, management of: adults (*sci*), June, p. 1853
cardiac arrest, new trends in the pharmacologic management of (*sci*), February 15, p. 591
carpal tunnel syndrome: a practical review (*sci*), May 1, p. 1371
cats, bats and: rabies vectors (*tip*), February 15, p. 661
certification in family practice, additional, what's good about? (*let*), June, p. 1736
cervicitis, chlamydial: complications and new treatment options (*sci*), June, p. 1825
cesarean section in women with genital herpes (*tip*), January, p. 213
chancroid, lymphogranuloma venereum and granuloma inguinale, mucocutaneous manifestations of (*sci*), February 1, p. 415
chest pain
—acute, patients with, at low risk of mortality (*tip*), February 1, p. 459
—heartache vs., the art of medicine and (*let*), May 1, p. 1350
chest radiographs, value of, in the critically ill newborn (*tip*), February 1, p. 474
child abuse, on the lookout for (*let*), January, p. 47
childhood predictors of asthma in adulthood (*tip*), May 15, p. 1659
childhood sexual abuse (*sci*), January, p. 125
children
—cancer in, electromagnetic fields and (*tip*), March, p. 928
—with hematuria, the abc's of evaluating (*sci*), February 15, p. 623
—lead exposure in (tip), February 1, p. 489
—melanoma prevention and screening in (*tip*), January, p. 237
—otitis media in, environmental risk factors and (*tip*), May 15, p. 1654
—refuse to eat, advice when (*FPI*), January, p. 249
—ventilator-dependent, home care for (*tip*), April, p. 1213
Chlamydia trachomatis screening in young men (*tip*), May 1, p. 1523
chlamydial cervicitis: complications and new treatment options (*sci*), June, p. 1825
chlamydial infection, clinical factors associated with (*tip*), June, p. 1938
chloroform, topical aspirin and: herpes zoster pain (*tip*), May 1, p. 1506
cholesterol reduction
—doubts about clinical impact of (*ed*), February 15, p. 558
—the folly of questioning the benefits of (*ed*), February 15, p. 567
chronic fatigue syndrome, quinicrine and (*let*), May 1, p. 1354
cigarette smoking
—bicarbonate secretion and (*tip*), April, p. 1235
—bone mineral density and (*tip*), February 1, p. 489
—the quandry over (*let*), June, p. 1729
ciprofloxacin, appropriateness of, in nursing home residents (*tip*), June, p. 1915
cocaine, complications of, metabolism and (*FPI*), January, p. 249
cold, common, CT findings associated with (*tip*), June, p. 1959
colorectal cancer, characteristics of, at presentation (*tip*), March, p. 913
compression stockings, graduated, in DVT prophylaxis (*tip*), May 15, p. 1647
congestive heart failure, unnecessary digoxin use in (*FPI*), March, p. 958
connective tissue diseases, diagnosis of (*FPI*), June, p. 1963
consent, informed, for HIV testing (*FPI*), February 15, p. 672
constipation, chronic, management of, in infants and toddlers (*sci*), February 1, p. 397
contraceptive(s)
—an injectable: depo-provera (*sci*), March, p. 891
—oral, incidence of ovarian cysts and (*tip*), June, p. 1937
—oral, use of, endometrial cancer risk and (*tip*), May 1, p. 1495
coronary artery disease progression, nutrient intake and (*tip*), June, p. 1920

correction
—calcium channel blockers in the treatment of hypertension, February 1, p. 339
—esophagogastroduodenoscopy for the family physician, May 1, p. 1358
cryosurgery for keloids and hypertrophic scars (*tip*), February 1, p. 494
CT and ultrasonography, use of, in diagnosis of appendicitis (*tip*), May 1, p. 1489
CT findings associated with common cold (*tip*), June, p. 1959
current, low-intensity, treatment of decubitus ulcers with (*tip*), February 1, p. 469

D

death, actual causes of, in the United States (*tip*), May 1, p. 1513
decubitus ulcers, treatment of, with low-intensity current (*tip*), February 1, p. 469
deep venous thrombosis, preventing, in hospitalized patients (*sci*), May 1, p. 1389
deep venous thrombosis prophylaxis, graduated compression stockings in (*tip*), May 15, p. 1647
delivery(ies)
—instrumental, rate, use of epidural analgesia and (*tip*), April, p. 1228
—vaginal, midline episiotomy in (*tip*), February 15, p. 662
depo-provera: an injectable contraceptive (*sci*), March, p. 891
depression
—mixed anxiety and, management of (*sci*), March, p. 860
—and suicide attempts in older adults (*tip*), March, p. 925
dermatitis, stasis, and ulceration, treatment of (*let*), April, p. 1080
diabetes
—gestational, benefits of lactation in (*tip*), February 15, p. 666
—gestational, postprandial glucose levels and (*tip*), March, p. 909
—type II, home blood glucose monitoring and (*tip*), May 1, p. 1490
diabetes care, quality of, effect of patient education on (*tip*), April, p. 1218
diabetic foot problems, guidelines for (*FPI*), February 15, p. 672
diabetic ketoacidosis, management of (*sci*), May 15, p. 1607
diabetic retinopathy, a new screening method for (*tip*), January. p. 224
dietary supplements, free radicals in athletes and (*let*), March, p. 759
digoxin use, unnecessary, in CHF (*FPI*), March, p. 958
digoxin withdrawal, chronic heart failure and (*tip*), February 1, p. 483
drapery cord injury and strangulation in babies (*let*), February 1, p. 335
drug reaction, adverse, think: an ill patient in the office (*let*), June, p. 1739
drug screening, urine, the family physician and (*sci*), May 1, p. 1441
drug toxicity, fetal, factors influencing (*FPI*), February 15, p. 672
DTP and Hib vaccine, combined, ACIP releases recommendations on (*med rep*), February 1, p. 501
DVT prophylaxis, graduated compression stockings in (*tip*), May 15, p. 1647
dystocia, predicting value in: Müller-Hillis manuever (*tip*), March, p. 913

E

earlobe keloids (*sci*), June, p. 1835
eat, advice when children refuse to (*FPI*), January, p. 249
education, patient
—AAFP issues white paper on (*med rep*), February 15, p. 673
—effect of, on quality of diabetes care (*tip*), April, p. 1218
education strategies, health, prevention of running injuries by (*tip*), February 1, p. 484
eggs, grade A, *Salmonella enteritidis* infection spread by (*tip*), June, p. 1959
elderly
—falls in (*sci*), January, p. 149
—hearing loss in (*FPI*), February 15, p. 672
—hypertension in, pharmacologic treatment of (*tip*), June, p. 1937
—improving postoperative strength in (*tip*), February 1, p. 494
—influenza and hospitalization in (*tip*), April, p. 1223
—stroke patient, physical and functional assessment of (*sci*), June, p. 1777
elderly patients
—fever of unknown origin in (*tip*), March, p. 955
—flu vaccine uptake among (*tip*), February 1, p. 462
elderly stroke patient, physical and functional assessment of (*sci*), June, p. 1777
elderly white men, high suicide rate in (*let*), February 1, p. 333
electrocardiography, value of, in evaluation of rest angina (*tip*), April, p. 1231
electromagnetic fields and cancer in children (*tip*), March, p. 928
endometrial cancer risk, use of oral contraceptives and (*tip*), May 1, p. 1495
endometriosis: diagnosis and management (*tip*), January, p. 229
epidural analgesia, use of, instrumental delivery rate and (*tip*), April, p. 1228
episiotomy
—midline, in vaginal deliveries (*tip*), February 15, p. 662
—severe perineal laceration following (*tip*), January, p. 222
—routine vs. selective (*tip*), May 1, p. 1524
epithelial cancer of the ovary, diagnosis and management of (*sci*), February 15, p. 613
erythrocyte sedimentation rate and sickle cell disease (*tip*), March, p. 909
esophagogastroduodenoscopy for the family physician (*sci*), January, p. 109; correction, May 1, p. 1358
estradiol, percutaneous, postmenopausal bone mass and (*tip*), May 1, p. 1489
estrogen, transdermal, prevention of osteoporosis and (*sci*), May 15, p. 1639
European medical journal, eastern: a call for help (*let*), February 15, p. 582
excision, fusiform (*sci*), February 1, p. 371
exercise during pregnancy and the postpartum period, ACOG issues recommendations on (*med rep*), April, p. 1258

F

falls in the elderly (*sci*), January, p. 149
family-centered birthing
—(*let*), February 1, p. 335
—in the 1950s, remembrances of (*let*), May 1, p. 1353
'Family Physician's Notebook'
—diary from a week in practice (*FPN*), January, p. 85; February 15, p. 585; March, p. 783; April, p. 1105; May 15, p. 1601; June, p. 1963
fatigue
—antibiotic therapy and (*tip*), March, p. 908
—chronic, syndrome, quinicrine and (*let*), May 1, p. 1354
fever
—in infants, outpatient management of (*tip*), April, p. 1220
—of unknown origin in elderly patients (*tip*), March, p. 955
fetal drug toxicity, factors influencing (*FPI*), February 15, p. 672

Index to Volume 49

fetal monitoring, electronic, during labor, a place for (*let*), March, p. 749
finasteride in the treatment of benign prostatic hyperplasia (*tip*), May 1, p. 1501
'fish odor' syndrome (*tip*), April, p. 1227
fluoroquinolones, oral, for malignant external otitis (*let*), June, p. 1729
flu vaccine uptake among elderly patients (*tip*), February 1, p. 462
foot problems, diabetic, guidlines for (*FPI*), February 15, p. 672
fragile X syndrome, treatment of (*FPI*), June, p. 1963
free radicals in athletes and dietary supplements (*let*), March, p. 759
fungal infections, systemic, recognizing skin lesions of, in patients with AIDS (*sci*), May 15, p. 1627
fusiform excision (*sci*), February 1, p. 371

G

gallstones, ACP releases guidelines for the treatment of (*med rep*), January, p. 251
gastric cancers, early differentiated, *H. pylori* infection and (tip), April, p. 1246
gastrocnemius, intramuscular hemangioma of (*let*), January, p. 57
Gaucher's disease: diagnosis and treatment (*tip*), April, p. 1231
'gay bowel syndrome,' the term, use of (*let*), February 15, p. 580
generalist and subspecialty medicine, trends in: adaptability or extinction (*med soc*), April, p. 1055
genital herpes, women with, cesarean section in (*tip*), January, p. 213
genital ulcer disease and HIV conversion (*tip*), June, p. 1927
gestational diabetes
—lactation in, benefits of (*tip*), February 15, p. 666
—postprandial glucose levels and (*tip*), March, p. 909
glucose, blood, home monitoring, type II diabetes and (*tip*), May 1, p. 1490
glucose levels, postprandial, and gestational diabetes (*tip*), March, p. 909
'golden hair syndrome' vs. 'Goldenhar syndrome' (*let*), June, p. 1730
granuloma inguinale, chancroid, lymphogranuloma venereum and, mucocutaneous manifestations of (*sci*), February 1, p. 415
gynecologic tumors, tamoxifen and incidence of (*tip*), February 1, p. 464

H

hair pick, use of, to stabilize rolling veins (*let*), February 1, p. 333
haloperidol, neurotoxic reaction to, thyrotoxicosis and (*let*), April, p. 1077
headache, analgesic rebound (*tip*), May 1, p. 1520
health care reform and patient-physician communication (*med soc*), June, p. 1718
hearing loss in the elderly (*FPI*), February 15, p. 672
heart failure
—chronic, and digoxin withdrawal (*tip*), February 1, p. 483
—congestive, unnecessary digoxin use in (*FPI*), March, p. 258
hemangioma, intramuscular, of the gastrocnemius (*let*), January, p. 57
hematuria, children with, the abc's of evaluating (*sci*), February 15, p. 623
hepatitis B immunization, universal, concerns about (*let*), January, p. 47
hepatitis D infection, chronic, interferon alpha therapy for (*tip*), June, p. 1910
hepatotoxicity, fatal, isoniazid and (*tip*), April, p. 1241
herpes, genital, women with, cesarean section in (*tip*), January, p. 213
herpes zoster pain: topical aspirin and chloroform (*tip*), May 1, p. 1506
Hib vaccine, combined DTP and, ACIP releases recommendations on (*med rep*), February 1, p. 501
HIV conversion, genital ulcer disease and (*tip*), June, p. 1927
HIV infection (*See also AIDS*)
—ACP and IDSA issue statement on (*med rep*), June, p. 1972
—early, evaluating and managing, guidelines for (*ed*), March, p. 724
—early, managing (*sci*), March, p. 801
—risk behavior in young men and (*tip*), June, p. 1904
HIV testing, informed consent for (*FPI*), February 15, p. 672
HMOs and PPOs, improved criteria for selecting physicians for (*let*), February 1, p. 334
home care for ventilator-dependent children (*tip*), April, p. 1213
homeless, health care for: a family medicine perspective (*sci*), January, p. 139
homeless men who are mentally ill, treatment of (*tip*), May 1, p. 1505
homelessness, family physicians and (*ed*), January, p. 27
homosexuality, adolescent, the family physician and (*let*), April, p. 1065
H. pylori infection and early differentiated gastric cancers (*tip*), April, p. 1246
hyperactivity disorder, attention-deficit, cause of (*tip*), February 1, p. 460
hyperlipidemia, hypothyroidism and (*tip*), January, p. 216
hypertension
—efficacy of sustained-release nicardipine in (*tip*), January, p. 230
—in elderly, pharmacologic treatment of (*tip*), June, p. 1937
—in pregnancy, urinary dipstick protein test for (*tip*), June, p. 1931
hypertrophic scars, keloids and, cryosurgery for (*tip*), February 1, p. 494
hypnosis for nausea and vomiting in pregnancy (*let*), June, p. 1733
hypothyroidism and hyperlipidemia (*tip*), January, p. 216

I

immune globulin, respiratory synctial virus (*tip*), May 1, p. 1508
immunization(s)
—ACIP releases new recommendations on (*med rep*), June, p. 1975
—hepatitis B, universal, concerns about (*let*), January, p. 47
—reasons for delay of (*tip*), March, p. 954
immunodeficiency, suspected, evaluation of patients with (*sci*), April, p. 1167
indomethacin, maternal use, neonatal complications and (*tip*), May 15, p. 1658
infants
—fever in, outpatient management of (*tip*), April, p. 1220
—low birth weight and length of hospital stay in (*tip*), February 1, p. 473
—preterm, pain in, analgesia for treatment of (*tip*), February 15, p. 655
—and toddlers, management of chronic constipation in (*sci*), February 1, p. 397
infarction, myocardial, managing patients with, after hospital discharge (*sci*), April, p. 1109
influenza and hospitalization in the elderly (*tip*), April, p. 1223
'information highway' for family physicians (*let*), March, p. 749
insomnia, treatment of (*sci*), May 1, p. 1417
interferon alpha therapy for chronic hepatitis D infection (*tip*), June, p. 1910

intubation, alternative to, in obstructive sleep apnea (*tip*), April, p. 1224
ipecac, potential misuse of (*tip*), March, p. 953
iron deficiency anemia, idiopathic, evaluating (*tip*), June, p. 1927
irritable bowel syndrome, evaluation and management of (*tip*), May 15, p. 1654
isoniazid and fatal hepatotoxicity (*tip*), April, p. 1241

J
journal, medical, eastern European: a call for help (*let*), February 15, p. 582

K
keloids
—and hypertrophic scars, cryosurgery for (*tip*), February 1, p. 494
—earlobe (*sci*), June, p. 1835
keratosis(es)
—actinic, squamous cell carcinoma and (*sci*), March, p. 817
—solar, sunscreen use and (*tip*), p. 671
ketoacidosis, diabetic, management of (*sci*), May 15, p. 1607
knee, juvenile rheumatoid arthritis of the, and sonography (*tip*), June, p. 1903

L
labor
—electronic fetal monitoring during, a place for (*let*), March, p. 749
—induction of (*sci*), May 1, p. 1427
lactation, benefits of, in gestational diabetes (*tip*), February 15, p. 666
lead exposure in children (*tip*), February 1, p. 489
libido, diminished, in postmenopausal women (*let*), March, p. 758
lumbar disk disease, osteopathic manipulation for (*let*), January, p. 63
lung infections, anaerobic (*sci*), June, p. 1815
lymphogranuloma venereum and granuloma inguinale, chancroid, mucocutaneous manifestations of (*sci*), February 1, p. 415

M
mammography nomenclature, American College of Radiology (*let*), June, p. 1742
mammography screening
—barriers to patient compliance with (*tip*), June, p. 1960
—effect of age and family history (*tip*), May 1, p. 1502
Mammography Quality Standards Act of 1992 (*FDA*), June, p. 1965
mammoplasty, augmentation, breast cancer diagnosis after (*tip*), March, p. 921
maternal indomethacin use and neonatal complications (*tip*), May 15, p. 1658
maternity care helps bring balance to family practice (*med soc*), May 1, p. 1337
'medicalization' of America: physician, heal thy society? (*let*), May 15, p. 1595
melanoma, malignant (*sci*), January, p. 91
melanoma prevention and screening in children (*tip*), January, p. 237
membranes, premature rupture of
—management of (*tip*), February 15, p. 648
—thoughts about (*let*), April, p. 1069
men
—elderly white, high suicide rate in (*let*), February 1, p. 333
—homeless, who are mentally ill, treatment of (*tip*), May 1, p. 1505
—young, *Chlamydia trachomatis* screening in (*tip*), May 1, p. 1523
—young, HIV infection and risk behavior in (*tip*), June, p. 1904
menstruation, treatment of migraine associated with (*tip*), February 1, p. 459
metabolic screening, newborn, early hospital discharge and (*tip*), February 15, p. 665
metabolism and complications of cocaine (*FPI*), January, p. 249
metronidazole and incidence of birth defects, use of (*tip*), January, p. 205
migraine
—associated with menstruation, treatment of (*tip*), February 1, p. 459
—treatment of: a new era (*sci*), February 15, p. 633
migraine headache, pharmacologic management of (*tip*), June, p. 1950
milk, human, AAP issues policy statement on the transfer of drugs and other chemicals into (*med rep*), May 1, p. 1527
mineral density, bone, and cigarette smoking (*tip*), February 1, p. 489
mite, house, allergens, ways to reduce (*FPI*), April, p. 1250
mononucleosis, infectious, diagnosis and treatment of (*sci*), March, p. 879
mouth-to-mouth resuscitation, reluctance to perform (*tip*), January, p. 244
